**Summary of Work Completed Period of September 15, 2025 – September 27, 2025**

Over this period of work, the contractor conducted closed-circuit television (CCTV) video inspection of existing sanitary sewer mains and pipelines and prepared for the removal of trees. A camera truck and a vacuum truck supported the inspection, with jetting equipment used for access. Traffic control, confined space entry procedures, and lane closures were implemented where required. The contractor also distributed flyers/notices regarding the Haddon Avenue closure (October 1–8, 2025, 7:30 AM–3:30 PM) in residential mailboxes along Haddon Avenue and to merchant businesses within the closure limit. General cleanup of the work area was performed after each day. Police traffic directors were utilized during the day's work for traffic control safety measures. Advanced warning signs were used in setting up traffic control safety measures during this period of work.

Residentes y Propietarios de Negocios,

Tomen en cuenta lo siguiente...

Del 1 de octubre de 2025 al 8 de octubre de 2025, la Avenida Haddon permanecerá cerrada al tráfico de paso entre Euclid Ave y Kaighns Avenue. El cierre se llevará a cabo entre las 7:30 a.m. y las 3:30 p.m. para realizar trabajos de remoción de árboles.

Asimismo, tengan presente que el estacionamiento en la vía estará limitado durante este periodo. Se colocarán letreros de "Prohibido Estacionar" en las áreas donde se estén realizando los trabajos de construcción con el fin de facilitar estas labores.

Agradecemos su comprensión.
